Dear Ann:

Thank you so much for taking the time to meet with me Friday. I am grateful to Vicki for introducing me to you and having the opportunity to discuss women's issues with you. It made such a favorable impression on me that you were so eager to share your experiences as a woman in the firm and offer to help improve the situation in the Atlanta office. I am encouraged about my career at PW in having now met three women partners who have managed to balance their personal lives with successful careers at PW. And I am looking forward to making a difference for the other women in the Atlanta office.

As we discussed at lunch, I plan to meet with John Cary to try to explain the issues effecting the women in the office and propose solutions to him. I will keep in touch with Vicki regarding my progress.

Again, thank you so much for your time. It was a pleasure to meet you.

Sincerely,
